The magnificent 3 course lunch will be specially prepared by Slow Food Hunter Valley using the finest produce from our local region - organic or biodynamic where possible.

Wonderful music by Tillee Music will entertain us for the afternoon as we enjoy beautiful wine, fantastic food and stunning ambience.

Springtime Bud Burst Celebration is to celebrate the spring and forthcoming harvest, and to support the activities of the Slow Food movement in the education of sustainable, locally produced food with a fair return to farmers/producers.
